

Santa's Workshop Adopt a Child

BE ONE OF SANTA'S HELPERS

this Christmas by sponsoring a child for Santa's Workshop! Your \$30.00 donation will provide a brighter holiday for a child of a financially-strapped Ft. Hood soldier. Each year Santa's Workshop provides toys to thousands of children. After a soldier qualifies for assistance from Santa's Workshop, the soldier or spouse comes into the toyshop to choose 2 new toys and one book per child. The parent may also choose 1 board game to promote family time. In all, each child receives about \$30.00 worth of toys. Your generous donation goes a long way.
